IN THE SOUTH CONTUMACIOUS?

And it foreibly adds :

them? It did not. There was the second error. Congress did not treat the become error dentified with, and people of the South as fellow citizens, to General Order in regard to size. them? It this second error. Congress did not treat the second error did n people of the South as fellow citizens, to be conciliated, but as conquered slaves, to be humiliated. Congress dictated and put forth the constitutional amendments—and arrested reconstruction until they should be accepted. It had almost succeeded. Thank God it failed! The time will come, if ever the Union is restored, and the North and South become one the habit of exacting inquestioning offer.

The following is its explanatory preface: the personal liberty of the citizen.

The following is its explanatory preface: the personal liberty of the citizen.

"Every day it becomes more evident, will join in this ejaculation. For if it had been accepted we would have sresented to the world the singular spectacle fight: and they naturally think that of a united nation, professing harmony—
of a united nation, professing harmony—
ithey have the right to tell a citizen that
eight millions of whose citizens were
he shall accept an appointment of Deputy
ity of party spirit, publish either invenbranded with disgrace by the hands of the others, and had accepted the brand. Sheriff, if the Sheriff chooses to make the others, and had accepted the brand. Could such be brothers with the rest? It, and that no excuse for refusal to accepted an appointment of Deputy lity of party spirit, publish eliher inventions of their own, or print, without it, and that no excuse for refusal to accepted an appointment of Deputy lity of party spirit, publish eliher inventions of their own, or print, without the others. Preposterous! Thank God this degrada-tion is not upon us, and we pray Him it. Here, of course, is a new offence de-

The errorg of Congress was donne. It also demanded concessions of our civil rights of representation which the Constitution of representation which the Constitution of did not authorize it to demand. It also We are indeed surprised that Gen. Only, the press itself fall into discredit. As

but the people of the South could not plead guilty to crime. They could not plead guilty to crime. They could not plead guilty to crime. They could not accept the brand of infamy to be borne, as representatives of all, on the brows of her greatest men. They could not accept the brand of infamy to be borne, as representatives of all, on the brows of her greatest men. They could not fix it there themselves. The thought is shocking. Then came the rage of Congress, because the South preferenced to loss all its representation rather than accept the slignes. Then came making the whole time the election is shocking. Then came making the whole time the election is the proposed against the place of the state in the state of the stat

The old label of the conscience and justified Union have issued a new daily paper in it cease to establish itself upon the ruln The National Democratic Executive his violence toward the unoffending lamb by the pretext that the latter had mud. Knoxville called the Knoxville Herald. of the country? he violence toward fine user reasonable was recombined the latter had modified the stream from which he drank, at a point below that of his accuser and develowed his accuser the Radical majority of the Radical majority of the Radical majority of the reason and findiguit to realize that in so entitle and moral and see, such apploigies could be set up for acts of flargar linigative and operation. The accuse of his resignation is added to be financial embarrance multiply and the successful form of the fact that said amenda. \*\*There must be another turn of the screw" howls this Ohio weave a net to retain power; that distorred and the result of their residence, No. 354 adams street. The Northern journals, and the pensioned Southern presses of Radicalism are fond of accusing the South of contumney and a factious spirit in respect to reconstruction. They ask what the more appeared in the people whose hands he has grasped in apparent friends he has grasped in the name of librate of librate he writ of liberty in the name of librate his brown and severs the Union of States in the name of loyalty; that makes the military sufficient in perior to the civil power; that abrogates the writ of liberty in the name of librate his perior to the civil power; that abrogates the writ of liberty in the name of librate his perior to the civil power; that abrogates the writ of liberty in the name of librate his perior to the civil power; that abrogates the writ of liberty in the name of librate his perior to the civil power; that abrogates the writ of liberty in the name of librate his perior to the civil power; that abrogates the writ of liberty in the name of librate his perior to the civil power; that abrogates the writ of librate his perior to the civil power; that abrogates the writ of librate his perior to the civil power; that abrogates the writ of librate his perior to the civil power; that abrogates the writ of librate his perior to the civil power; that abrogates the writ of librate his perior to the civil power; that abrogates the writ of librate his perior to the civil power; that abrogates the writ of librate his perior to the civil power; that abrogates the writ of librate his perior to the civil power; that abrogates the writer his perior to the civil power; that abrogates his perior

How con it propose any thing now. Has Congress ever indicated a willing ness to listen to any proposition? As the Tetegraph (at Washington, Arkan-sas, says; "There is not the remotet prospect any where, that any suggestion on their part, of terms of union, even 'recognizing any where, that any suggestion on their part, of terms of union, even 'recognizing and the longitude results are well and the

There is, therefore, no incomsistancy in the current of the course of Gen. Waste Hampton and other distinguished Southerners who accept the South, we were ready, and has tend to return to the Union and renew was it in Arkansase? Did we not accept the Radical Constitution. How was it in Arkansase? Did we not accept the Radical Constitution framed in band, as equals into the Union and patriotic purposes and a amount and more analysis of the people to every expanization under it. They are pompted in these views, by heaven course of the proposition of the people to every organization under it. They are pompted in these views, by heaven course of the proposition of the people to every organization under it. They are pompted in these views, by heaven course of the proposition of the people to every organization under it. They are pompted in these views, by heaven course the desired proposition of the people to every organization under it. They are pompted in these views, by heaven course that not experienced the dictatorial right which it claimed, it presented the farms in without the proclamation was arrested. "It may be for years. It may be for years. It may be forever."

When Congress had not expected the search which it claimed, it presented to with the South has to the elements of the proposition of the

ness of which is evident a league off. The strong of Congress was double. It fixed, and to be punished. Will the pen- be to cause increased confusion in great of representation which the contactor did not sutherize it to demand. It also demanded our confession of moral turplinds. The missingly of Congress was only single. If it had stopped with the despot generally, and who escaped the despot generally, and who escaped demand of a modification of our rights of representation, it would have been restored.

For the people of the South wer really and who escaped its defined the press itself fall into discredit. As much as it is in our power we wish to deprive the enemies of a free press of this field so easily turned to its disad conceeded. Even with that the Union wild have been restored.

For the people of the South were really an order so supremoly anxious for restoration. So anxious for restoration. So anxious for restorations of the sake of farmony, and to do what they could do, have agreed to give up the negro count in the basis of Federal representating, until they might find it safe to admit the negro to vote.

Supplied the press itself fall into discredit. As much as it is in our power we wish to deprive the enemies of a free press of this field so easily turned to its disad control only an extended only represented the mistortune of a vote of thanks from control of the supplement of the press itself fall into discredit. As much as it is in our power we wish to deprive the enemies of a free press of this field so easily turned to its disad. Special orders, No. 176, dated to day control of this field so easily turned to its disad. Special orders, No. 176, dated to day control of this field so easily turned to its disad. Special orders, No. 176, dated to day control of this field so easily turned to its disad. Special orders, No. 176, dated to day control of this field so easily turned to its disad. Special orders, No. 176, dated to day control of the supplement of the press itself fall into discredit. As the press itself fall into discredit.

tion meets squarely every living issue.
It is not encumbered by the reiteration of principles which were once in conflict, but which success has changed to axioms, but which success has changed to axioms, and made the common property of all the common property of laws of the United States, and allowing jurors and witnesses two dollars per day, passed their final reading.

In the House Mr. Ryder presented a memorial from citizens of Mamphia protesting against the proposed extension of the corporate limits of that city.

A bill was introduced appropriating S40,000 for the benefit of the peniternitary.

proposition, and acquiesce in the denum-ciations is unched for that cause by furious partizan demagogues against the people—the followers of chivalric and self-sacrificing "foemen" truly worthy of their steel."

Fenton, and thanks to Senators Morgan and Conkling, for firmly resisting the President's usurpations. 12. A right to recreation on any day of the week in self-sacrificing "foemen" truly worthy of their steel."

Fenton, and thanks to Senators Morgan and Conkling, for firmly resisting the President's usurpations. 12. A right to recreation on any day of the week in severy manner consistent with public decorum and the respect due to public worship.
